

Woodfield

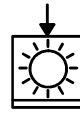

Is

Closed

Today

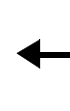

Gill decides when Woodfield is open.

Gill has decided that it is too dangerous for pupils and

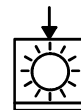

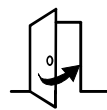

staff to travel to Woodfield and then back home because

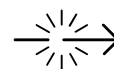

there is lots of snow.

This means that Woodfield is closed today.

Staff and mummy and Daddy know what is happening and

how to keep me safe at home.

Gill knows when it is safer for people to go back to

Woodfield.

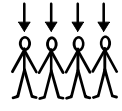

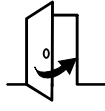

I can help everyone by trying to stay calm and listen to family

or carers.

Remember, Gill has closed Woodfield to keep everyone

safe because of the snow.
