Would you like to work in a school where enjoyment, fun and laughter is encouraged and where everyone's achievements are valued and celebrated? Do you like running around with children?

Woodfield is a successful and friendly Outstanding Special School for children and young people aged 3-19 with severe and profound learning needs. Many pupils have additional complex needs including autistic spectrum disorders, epilepsy, physical and sensory impairments; many need regular medical intervention.

We want to recruit enthusiastic and energetic Teaching Assistants to join the Woodfield team to work 30 hours per week, Monday to Friday, 9.00am to 3.30pm, term time only. There is also a requirement to attend a class meeting for a minimum of 30 minutes per week before or after school; at a time agreed by the class teacher. The posts will involve being part of a supportive 'Teaching and Learning' team within a class setting. You will have opportunities to develop your own skills through on-going training. Your contribution to the development of the school will be encouraged, valued and supported. A good sense of humour, enthusiasm, flexibility and commitment are essential. The ability to work within a team is vital.

Experience of working with pupils who have learning difficulties and/or complex needs would be an advantage but not essential as induction will be provided.

The school is committed to the safeguarding of children and is a committed equal opportunities employer. Please note that our safeguarding requirements and practices mean we are only able to consider complete applications submitted using the application form – we are unable to accept CV applications. The successful applicant will be subject to an enhanced DBS check and successful recruitment checks including satisfactory references.
